

4th Annual "100 Mile" Picnic

(also our 97th Anniversary)

September 11, 2010

We will celebrate the harvest and bounty of local farmers by bringing a dish to share prepared with food produced (as much as is possible) within a 100 mile radius of Rochester or you can share the bounty of your own garden.

3:30 pm - 5:30 pm

Take a hike, visit with friends or enjoy a cool drink on one of our new benches. An art table will be set up for the children.

5:30 pm - Picnic Supper

Bring a dish to share and your own place setting and trash bag for your trash. Beverages will be provided.

7:30 pm - Program

Member Jon Dombrowski will present "A Closer Look at Butterflies and Moths", covering some interesting aspects of their biology and natural history at each stage of their life cycle.

Cost: \$1.50 per person plus \$1 for hamburger, hot dog or veggie burger ordered.

White Elephant Table - Bring a donation of any nature related item. Books you no longer want are always good. Members can purchase the items and the \$ goes to the club.

Please make your reservations by September 5th.

Call Kris Smith 461-9395 to make your reservations. If no one is available to take your message, leave your name and how many hamburgers, hots or veggies burgers you wish to order.
